Dr Fowler:

I finally got Fairfield Inn to confirm our reservation. We have 20 doubles booked for Oct 7, 8, 9, and 10. The confirmation number is JU 51302. The block is under Tau Beta Pi but, if anyone has trouble with the reservations it is also under my name (Stephen Nicholls). They can call in their reservations now and the reservation cut off is Sept. 23rd. At that point if all the rooms aren't taken they can release them or, we can buy them up. Also a reservation can be changed to a king instead of a double, to save \$10. The rooms are \$73 a piece and the hotel has an indoor pool and work out facility. Essentially this is all the information they need to get their rooms so if you could forward this to whomever it concerns I would appreciate that. The phone number at the Fairfield Inn is 539-2400. Thanks.

Dr. Fowler,  
I wanted to keep you up to date with things here in KC.

I have been having difficulties getting in touch with Margie from UMKC. I am still hopeful that they will elect Jeremy and I as advisors before the national convention. I hope to connect with her before the end of this week.

I called and talked to Roger Hawks at TBP National Headquarters this morning. He advised Jeremy and I to send in our national convention registration forms and register as UMKC advisors, even though that status has not been confirmed yet.

Since I volunteered to help out at the registration table at the convention, even if UMKC does not elect me as an advisor, my expenses will still be paid since I will be working with the host chapter.

See you soon,
